FULL HD WEB CAM

"Give your Presentation a new definition with OscarsPro full HD, High impact web cam"

Full HD Web Cam

Effective Pixel	2 MP
Field of View	78 degree
Sliding Cover	Sliding cover to protect camera lens when not in use.
White Balance	Auto
Backlight Compensation	Support
Digital Noise Reduction	2D&3D Digital Noise Reduction
Video System	1080P@30fps/25fps, 720p@30fps/25fps, 960x540p@30fps/25fps, 640x360p@30fps/25fps
Sensor	1/2.7", CMOS, Effective Pixel: 2.07M
Scanning Mode	Progressive
Autofocus	Support
Minimal Illumination	10 Lux
Camera bracket	bracket with damper

Generic

Operating Temperature	-10°C ~ 40°C
Storage Temperature	-40°C ~ 60°C
Power Consumption	upto 1.5W
Certifications	BIS, CE, RoHS, FCC
Input Voltage	5V
Current Consumption	Maximum Upto- 270mA

Operational

Video Output	USB 2.0, Full-featured USB 2.0 interface, power, video and audio all in one.
Low Light	High SNR of 55dB, the image is still clear and sharp even in the low light environment, Star-level CMOS sensor and 2D/3D noise reduction algorithm, delivering ultra-high SNR for optimized noise reduction.
Operate System	Windows® 7 (1080P and under only), Windows 8.1, Windows 10 macOS™ 10.10, Google™ Chrome-book™ Version 29.0.1547.70 Linux
Video Format (USB)	1080P@30fps/25fps, 720p@30fps/25fps, 960x540p@30fps/25fps, 640x360p@30fps/25fps
USB Interface	1xUSB 2.0
Resolution	1080P Full HD Super Wide Angle, Support 1080 HD, can maximum 1080@30fps/25fps output, downward compatible with 720P, etc. Wide angel field of view. horizontal field of view can be 78°
Built in Microphone	Built-in microphone array to pick up sound equally from all directions.
